The Sheerweave 5000 Jacquard line was inspired by nature and created to take the function of sun control fabrics to a whole new level. The collection of fabrics is woven with diverse textures and rich colors. The Sheerweave 5000 maintains the qualities that Phifer fabrics are known for: unmatched durability, minimal maintenance, and excellent outward visibility.

Material Composition - Varies with Pattern

App. 27% Polyester, 73% Vinyl on Polyester - Some patterns also have Acrylic or Olefin

Material Roll Width is 98"

This material will be seamless in sizes up to 99.25" W * x Any Height

Shades wider than 99.25" W Tip to Tip and 95"H or taller will be railroaded ** and will have a horizontal seam in the material at app. 95" from the bottom.

This material is directional. If a shade is railroaded due to its size we recommend railroading all the shades in the same room.

* Tip to Tip Measurement Including Space for Brackets

** Railroading is when the width of the material roll is used for height.

MFG Specifications are subject to change without notice.
